

CURRENT STUDENTS KINDER INFO PACK 2022

WELCOME BACK

A message from Director, Vanessa Papillo

There is something very exciting about bringing in a new year - fresh beginnings, new opportunities, and events worth celebrating & looking forward to that make up a memorable & fulfilling chapter in our lives.

With 2022 just around the corner, now more than ever do we look forward to bringing in a year that brings much hope & joy to all of us.

In 2022 we look forward to reuniting friendships, sharing the love and passion for dance with each other again, bringing back normality to our children's lives, and experiencing & celebrating performances & events that have been so deeply missed.

I personally would like to thank all parents & students for supporting DM through a very challenging two years. We have felt the love & support from so many and feel blessed to have a strong dance community to reunite & celebrate with in 2022.

Warm regards,
Vanessa Papillo

TINY TOT/KINDER DANCE THEMES IN 2022

OUR KINDER DANCE PROGRAM

Tiny Tot Classes: - 2.5 and 3 years of age

Kinder Classes: 4 and 5 years of age

Our classes are broken up into seven exciting themes throughout the year, all with specific class plans & music related to each theme.

Our teachers are specialised in early childhood education, and trained in our Kinder Dance programs to ensure consistency & expertise no matter what teacher, day or class you enrol in.

Although this program is focused around fun & stimulating dance classes, we also ensure our little dancers learn fundamental dance steps and proper dance technique each week so they are well prepared for when they take that next leap up to our Primary school dance program.

WEEKLY CLASS HIGHLIGHTS

- 7 themed dance classes throughout the year
- Dress up weeks included
- Parents can view class if they wish from our large viewing windows for all Kinder Dance classes
- Acrobatic & tumbling incorporated into our lesson structure using gymnastics apparatus & circuits to develop fine motor skills, strength & co-ordination
- Students learn routines from Term Two to be showcased at our End Of Year Concert
- Students will have the opportunity to showcase any routines and skills learnt throughout the first

A \$15.00 charge will be applied to your September account for all students participating in our End of Year Performance. This fee covers a digital copy of the End of Year Performance, as well as a Dance Machine participation medal.

HOW OUR PAYMENT STRUCTURE WORKS

- Payment is made via Auto-Pay which is set up at the time of registration and your credit card/debit card will automatically be charged each month (starting from February 2022).
- Fees are divided into 10 monthly payments (February through to November) of the above amount. Please note, your October and November payment is charged together in October as all payments must be finalised prior to the concert.
- If you wish to adjust your classes or cancel your enrolment in 2022, Dance Machine will process your request to be adjusted at the next billing cycle.
- Our fee structure takes into account any additional classes such as concert rehearsals and public holidays. There are NO other additional fees other than costume hire which will be charged on your March account, and a \$15.00 DVD charge for a digital copy of the End of Year Performance.
- By paying per month, smaller monthly instalments make it easier to budget as well as taking out the hassle of remembering to pay Term fees.
- Please note, there is a 1.5% merchant fee for all auto-pay or online portal transactions.
