## **TINY TOT, PRESCHOOL & KINDER CLASS INFO:**

Our Preschool program is unique to DM. It has been developed, taught and tested for over fifteen years, and our preschool students make up the largest percentage of our school due to our programs popularity! Our classes are planned and broken up into exciting themes throughout the year, all with specific class plans developed by our Director, Vanessa Papillo.

Our teachers are specially trained in our preschool programs to ensure consistency & expertise no matter what teacher, day or class you enrol in.

Although this program is focused around fun & stimulating dance classes, we also ensure our little dancers learn fundamental dance steps and proper dance technique each week so they are well prepared for when they take that next leap up to our Primary school dance program.
